

## -----Camper's Checklist:

Are you planning a camping trip? To be prepared, it is recommended to take the following precautions.

- inspect your snowmobile or ATV
- monitor the weather
- make a trip plan and always tell someone\*

\*A trip plan must include name of all riders and any passengers, destination, and timeline

Wear personal protective equipment:

- full face helmet with face shield OR
- full face helmet with goggles
- warm waterproof boots
- proper winter clothing - mitts, snow or wind pants, warm parkas, animal skins or furs

Carry safety equipment, including:

- |  |   |
|--|---|
| <input type="checkbox"/> waterproof matches                                      | <input type="checkbox"/> emergency tent                                   |
| <input type="checkbox"/> small first aid kit                                     | <input type="checkbox"/> dry clothing and extra mitts in a waterproof bag |
| <input type="checkbox"/> fuel and oil  | <input type="checkbox"/> tire plug kit                                    |
| <input type="checkbox"/> tow sling or rope                                       | <input type="checkbox"/> gas line antifreeze                              |
| <input type="checkbox"/> folding saw or pana                                     | <input type="checkbox"/> extra drive belt                                 |
| <input type="checkbox"/> flashlight and spare batteries                          | <input type="checkbox"/> satellite phone                                  |
| <input type="checkbox"/> extra food and water                                    | <input type="checkbox"/> rifle with a trigger lock and bullets            |
| <input type="checkbox"/> emergency blanket                                       | <input type="checkbox"/> Coleman stove and naphtha                        |
| <input type="checkbox"/> GPS, map, compass, tracking device, and spare batteries | <input type="checkbox"/> pots, pans, and thermos                          |
| <input type="checkbox"/> beacon and probe  | <input type="checkbox"/> extra bulbs for taillights and headlights        |
| <input type="checkbox"/> zip ties  |   |
| <input type="checkbox"/> spare spark plugs                                       |   |
| <input type="checkbox"/> small tool kit  |   |
| <input type="checkbox"/> sleeping bag  |   |
